

Camp Arnes Campership Program

At Camp Arnes, we believe every child should have the opportunity to experience summer camp — regardless of financial circumstances.

The **Campership Program** exists to assist families who require financial support in order to send their child(ren) to camp. Support is awarded using a clear, income-based sliding scale that considers both **household income and household size**.

How the Campership Program Works

Campership awards are determined using:

- **Total Household Income**
(Previous year's gross household income before taxes)
- **Household Size**
(All adults and dependent children living in the home)

Based on these two factors, families may qualify for a **Full Award (100%)**, or a **partial subsidy of 80%, 60%, or 30%** of the camp fee.

Income Thresholds by Household Size

The table below outlines eligibility levels:

Household Size	Full Award (up to)	80% Subsidy (up to)	60% Subsidy (up to)	30% Subsidy (up to)
2	\$35,000	\$40,000	\$50,000	\$60,000
3	\$40,000	\$45,000	\$55,000	\$65,000
4	\$45,000	\$50,000	\$60,000	\$70,000
5	\$50,000	\$55,000	\$65,000	\$75,000
6	\$55,000	\$60,000	\$70,000	\$80,000
Each additional household member	+ \$5,000 to each category			

Example:

If a family of four has a gross household income of \$48,000:

- The Full Award threshold is \$45,000.
- The 80% threshold is \$50,000.

- Because \$48,000 falls under \$50,000, the family would qualify for an **80% campership subsidy**.
-

What the Subsidy Covers

Campership assistance applies to:

- Base camp registration fees
- Standard program costs

Families are responsible for:

- The remaining percentage of fees (based on subsidy level)
 - Transportation and optional add-ons
-

Special Circumstances

We understand that income alone does not always reflect a family's financial reality. Families experiencing recent job loss, medical hardship, or other significant circumstances may include a brief explanation in their application. These cases may be reviewed individually.

Application Process

- Complete the Campership Application Form.
- Provide proof of household income (most recent Notice of Assessment or equivalent documentation).
- Submit prior to the stated deadline (funding is limited and awarded as available).

All information is handled confidentially.

Our Commitment

The Campership Program is made possible through the generosity of donors who believe in investing in children. Our goal is to distribute available funds responsibly, fairly, and transparently so that as many campers as possible can participate.

If you have questions about eligibility or the application process, please contact our office. We are happy to assist you.
